ENGLAND & SCOTLAND

ITINERARY

6 Nights / 7 Days

London - Glasgow - Edinburgh

About Great Britain:

Great Britain is unique in the way that it is made up of four countries, England, Northern Ireland, Scotland & Wales, more commonly known as the United Kingdom. (UK) The UK's history is truly fascinating, it seems there has not been a moment when it has not been making it, and the last 1000 plus years is still on display for all to see. Each country has its own individual past history, normally very bloody and colorful and involving struggles against English kings, wanting to invade and rule the lands, or unite them as they would like to tell themselves, a part of which was portrayed in the films by Mel Gibson in William Wallace and Liam Neeson in Rob Roy, (Ireland) two martyrs that stood up against the tyrant that was England in the days. Come, see and Enjoy UK with great Joy de vivre.

Edinburgh Castle is built on top of the basalt remains of an extinct volcano proving impressive views of the entire city and beyond. The castle is home to, amongst other things, the Scottish Crown Jewels, the Stone of Destiny and the giant 15th century siege gun Mons Meg.

The Royal Yacht Britannia is magnificent ship and has played host to some of the most famous people in the world. But, above all, she was home to Her Majesty the Queen and the Royal Family. The Palace of Holyrood House is the official residence of the Queen and stands at the end of Edinburgh's Royal Mile against the spectacular backdrop of Arthur's Seat.
